ATCNB STUDENT SCHOLARSHIPS

The Australian Trade College North Brisbane is an independent and not for profit institution which recognises student commitment, excellence and nominated career pathways to make available a number of scholarships to both existing and prospective students.

Scholarships may be offered to students who are Australian residents, based on the following eligibility criteria:

- **Excellence** – Whereby a student has demonstrated individual excellence in their schooling. Typically, students will be achieving a grade average of 'A'.
- **Pathway** – Whereby a student has shown dedication to their future through active participation in industry programs such as a traineeship/apprenticeship, work experience, current employment in the relevant field.
- **Supportive** – Whereby a student has the desire to attend the Australian Trade College North Brisbane, but would not be able to afford to do so without financial assistance. Evidence of financial hardship will be required.

Scholarships apply a 50% discount to annual tuition fees per year but do not apply to levies or other costs e.g. uniforms and transport. A student's scholarship remains active for the entire duration of their enrolment, however it is dependent on satisfactory engagement in classes and compliance with ATCNB policies and procedures.

SCHOLARSHIP APPLICATION CRITERIA

Interested students are required to submit a letter of application stating which of the eligibility criteria they meet (**Excellence**, **Pathway** or **Supportive**), their area of interest (which 'trade' they would like to study) and their personal strengths and attributes. Applications must be supported by two references who can attest to the suitability of the student. Appropriate referees could include, but are not limited to; present or past employers, training providers, teachers, school administrators and sporting coaches.

A panel of staff members will assist in the scholarship process and determining eligibility. However, the suitability of a student, and, the decision to offer a scholarship will ultimately be determined by the College Manager/Principal.

The following circumstances are viewed as favourable:

- Recent awards supporting personal attributes or educational success.
- A current SET Plan showing a pathway suited to the area of study applied for with ATCNB.
- Consistently regular attendance and punctuality at current school/employment.
- Current school grades and behaviour/effort must be a 'C' grade or better.

Fees: There is no fee charged when applying for a scholarship, however if the applicant is not a current ATCNB student the standard enrolment application process must be followed (including payment of the enrolment processing fee).

SCHOLARSHIP PATHWAYS

Scholarships will cover study for students in any of the following subject areas:

- Automotive
- Beauty
- Business/Retail
- Commercial Cookery
- Construction/Carpentry
- Electrotechnology
- Hairdressing
- Hospitality
- Plumbing
- Metal Engineering

Opening date: 30 October each year

Closing date: 30 January each year

SCHOLARSHIP APPLICATION

I _____, formally wish to apply for a scholarship at ATCNB.
(Student Name)

I have attached my letter of application and listed my referees below.

Please list current school grades:

Subject: _____ Result: _____

Subject: _____ Result: _____

Subject: _____ Result: _____

Subject: _____ Result: _____

Each scholarship is valid for the duration of the student's enrolment at ATCNB. The scholarship is subject to review each semester, and will require satisfactory progress academically, adherence to the College policies and procedures and the student's continued achievement in the area of study and general excellence.

Students will be required to show outstanding participation and developmental achievement across a number of areas throughout the College as specified in their scholarship contract.

Should a regular semester review determine a student has failed to successfully meet their scholarship obligations, counselling followed by a letter of advice shall be issued for corrective action to be taken by the student. The student shall then have the following semester to meet their initial scholarship requirements. In the event of the student returning an unsatisfactory second semester review, the scholarship may be reduced or cancelled as determined by the Scholarship Testing Committee. Additionally, Scholarships will be reviewed annually by the same committee.
