

CHILD RISK MANAGEMENT STRATEGY

Purpose

The purpose of this strategy is to eliminate and minimise risk to student safety to ensure the safety and wellbeing of all students.

Scope

This strategy applies to students and employees, including full-time, part-time, permanent, fixed-term and casual employees, as well as contractors, volunteers and people undertaking work experience or vocational placements.

Policy Statement and a Statement about Commitment

Australian Trade College North Brisbane (ATCNB) is committed to taking all reasonable steps to promote the safety and wellbeing of students enrolled at the school and their protection from foreseeable harm¹. In practice, ATCNB's commitment to acting in accordance with the *Working with Children (Risk Management and Screening) Act 2000 (Qld)* ("the Act") to promote the safety and wellbeing of students means that it will implement the measures outlined below in points 1 – 8.

1. Code of Conduct

At ATCNB we expect our employees to conduct themselves as follows:

School employees are expected to always behave in ways that promote the safety, welfare and well-being of students. Employees must actively seek to prevent harm to students, and to support those who have been harmed.

Specific responsibilities include:

- Employees should avoid situations where they are alone in an enclosed space with a student.
- When physical contact with a student is a necessary part of the teaching/learning experience, employees must exercise caution to ensure that the contact is appropriate and acceptable. Employees must always advise the student of what they intend doing and seek their consent.
- Employees must not develop a relationship with any student that is, or that can be interpreted as having a personal rather than a professional interest in a student.
- Employees must not have a romantic or sexual relationship with a student.

This commitment is evidence of ATCNB's fulfilment of the requirements of Schedule 1 s.2(2).

2. Recruitment, Selection, Training and Management Procedures

ATCNB is committed to recruiting, selecting, training and managing employees in such a way that limits risks to students. In particular, ATCNB will:

- Ensure that its recruitment and selection procedures act to reduce the risk of harm to children from employees via:
 - Accurate position descriptions, including whether the successful applicant must be a teacher registered with the Queensland College of Teachers (who has been subject to relevant police and other safety checks), whether a Blue Card is necessary for the successful applicant, the responsibilities and supervision associated with the position, the nature and environment of the service provided to students, and the experience and qualifications required by the successful applicant.
 - Advertising the position with a clear statement about the school's commitment to safe and supportive work practices and identifying that candidates will be subject to a teacher registration check or Blue Card screening, a police check, referee checks, identification verification and the

- requirement to disclose any information relevant to the candidates' eligibility to engage in activities including children.
- A selection process that includes assessing the application via an interview process and referee and other checks (as identified above) based on the accurate position description.
 - A probationary period of employment, which allows the school to further assess the suitability of the new employee and to act as a check on the selection process.
 - Ensure that its training and management procedures act to reduce the risk of harm to students from employees via:
 - Management processes that are consistent, fair and supportive.
 - Performance management processes to help employees to improve their performance in a positive manner
 - Supportive processes for staff when they are experiencing challenges, such as mentoring, mediation, conflict resolution, coaching, additional training, and external support and counselling services.
 - An induction program which thoroughly addresses the school's policies and procedures, particularly its expectations regarding student risk management and to assist employees to understand their role in providing a safe and supportive environment for students.
 - Training new and existing staff on an ongoing basis to enhance skills and knowledge and to reduce exposure to risks, as follows:
 - the school's policies and procedures
 - identifying, assessing and minimising risks to students
 - handling a disclosure or suspicion of harm to a child.
 - Keeping a record of the training provided to employees.
 - Exit interviews to assist the school to identify broader issues of concern that may impact on the safety and welling of students at the school

This commitment is evidence of ATCNB's fulfilment of the requirements of Schedule 1 s.2(3).

3. Handling Disclosures or Suspicions of Harm

Any of the types of concerns or reports below should be reported and managed under the ATCNB Child Protection Policy and the Child Protection procedure, as follows:

- All staff with concerns about sexual abuse or likely sexual abuse or a child sexual offence committed by an adult
- Teachers, nurses and early childhood education and care professionals with concerns of sexual or physical abuse
- All staff who have received a report of inappropriate behaviour by another staff member.

To report any type of harm, all staff members should use the school's Report of Suspected Harm or Sexual Abuse Form in Appendix 2 of this document. Furthermore, and in accordance with section 76 of the *Education (Queensland College of Teachers) Act 2005*, the ATCNB Principal will report to the Queensland College of Teachers any investigations into allegations of harm caused, or likely to be caused, to a student because of the conduct of a relevant teacher at the school.

Any report made under this section or the ATCNB Child Protection Policy will fulfil the reporting obligations of all adults under the *Criminal Code Act 1899*.

This commitment is evidence of ATCNB's fulfilment of the requirements of Schedule 1 s.2(4).

4. Managing Breaches of this Child Risk Management Strategy

ATCNB is committed to appropriately managing breaches of this Child Risk Management Strategy in accordance with its other relevant policies as appropriate in the circumstances, such as its Child Protection Policy, Employee Code of Conduct and Complaints Policy, and this is evidence of fulfilment of the requirements of Schedule 1 s.2(5).

5. Implementing and Reviewing the Child Risk Management Strategy

This Strategy in its entirety and its related policies and procedures are evidence of fulfilment of the requirements of Schedule 1 s.2(6)(a) relating to implementation.

6. Blue Card Policies and Procedures

ATCNB is committed to acting in accordance with chapters 7 and 8 of the Act relating to the screening of employees in such a way that limits risks to children. In particular, ATCNB will:

- Require relevant prospective or current employees, volunteers, trainee students and school board members to have working with children authority, and check the validity and appropriateness of any currently held notices, in accordance with ATCNB’s position descriptions and the Act prior to the commencement of their engagement.
- Not allow a person to continue to work with children if their Working with Children authority is cancelled or suspended or a negative notice is received after a change of police information.
- Have all relevant prospective employees and volunteers engaging in Restricted Employment acknowledge and sign a Restricted Person Declaration Form declaring they are not a restricted person prior to commencing their engagement.
- Not allow a person relying on an exemption to continue to work with children if they become a restricted person.
- Link and unlink individuals as they commence and conclude their engagement with the school.
- Appoint a school contact person/s who will be responsible for managing the working with children screening process and all related documentation and records.
- Keep written records of all the above actions, decisions and outcomes, including the dates of expiry for working with children authority.
- Ensure that all information in relation to working with children authority is kept confidential
- Act to remind employees to keep their working with children authority up to date and apply for a renewal prior to expiry.
- Take appropriate action if an employee, volunteer, trainee student or school board member fails to submit a renewal application prior to their working with children authority expiring.

This commitment is evidence of ATCNB’s fulfilment of the requirements of Schedule 1 s.2(6)(b).

7. High Risk Management Plans

ATCNB is committed to identifying risks, assessing risks, eliminating and minimising risks and the monitoring of risk to the safety of students on an ongoing basis. ATCNB will utilise various risk management tools to assist it in this process and will keep appropriate records of decisions made and actions taken in relation to risks to children.

This commitment is evidence of ATCNB’s fulfilment of the requirements of section Schedule 1 s.2(7).

8. Strategies of Communication and Support

ATCNB is committed to training employees in relation to risks to students and will conduct this training regularly via annual formal training events, informal updates at staff meetings and regular discussions between managers and their staff, and this is evidence of fulfilment of the requirements of Schedule 1 s.2(8)(b).

Responsibilities

ATCNB is responsible for developing and implementing this Child Risk Management Strategy and related policies and procedures to ensure it fulfils its obligations.

All employees at ATCNB are responsible for acting in compliance with this Child Risk Management Strategy and related policies and procedures.
